The NSW Government and the Illawarra Wingecarribee Alliance Aboriginal Corporation (IWAAC) have negotiated an Accord (agreement) in effect for 3 years commencing 2019. This Accord has identified how the Aboriginal Community and the NSW Government can work together to close the gaps in service delivery for the Aboriginal community.

One of the priority areas in the Accord is Police and Justice. Under this priority, one of the action items is to improve the relationships between Police and Justice services and the local Aboriginal community.

One way to do this is through hosting "Open Days". This year IWAAC and the NSW Government are hosting their first such open day on 20 September 2019 at Lake Illawarra PCYC.

We are hoping to introduce new ways of community information sharing and breaking down some barriers with Government Service providers and the Aboriginal Community.

We would love you to be a part of the Services Open Day and have attached a Registration Form for you to complete if you would like to participate.

Please forward completed registration forms and any questions to the IWAAC Administration Officer, Troy Leon on 02 4296 8073 or email [troy.iwaac@outlook.com](mailto:troy.iwaac@outlook.com)

Warm Regards
